

RATE CARD BY-ELECTIONS & MID-TERMS

2026

Why Manage-Your-Own electronic elections?

- Grow local control and participation in school matters
- Easy to operate from school office
- Access to **secure electronic voting** platform
- **Immediate results**
- **Zero paper-work**
- **Cheaper*** than full-service options

Is Full Service available?

Yes. Our returning officer will complete all requirements for your election in accordance with the regulations. Electronic voting available (fully accredited platform).

Data requirements

Ensure that your parent database is up-to-date. You will need

- Name for *each* parent
- Email address
- Unique mobile phone number for *each* parent
- Postal addresses if above data is missing.

Fee Estimates

Rates are based on your student roll and *estimated* electoral roll (ER) i.e. (roll x 1.7). Depending on the composition of your community, estimates may vary.

Sample

IF school roll is 1250, then estimated ER is $(1250 \times 1.7) = 1750$.

MYO:

Your licence fee is $\$350 + (ER \times 2)$

(Use NZSBA calculator for payment to your returning officer).

Full Election Service

ER by \$4.15, plus base fee of \$350.

A separate calculation applies to stand-alone intermediates (see separate Rate Card). Estimate calculator is available on the front page of our website.

Billing is on the basis of actual electoral roll when voting starts.
