

Triennial Election: Information for staff

Which roll?

- You can only be on one roll. If you have a child at this school, you can decide which one.
- You are automatically on the staff roll.
- You must advise your returning officer in writing before the roll closes if you wish to change...

BUT

- ...if you choose the parent roll, you cannot stand as a parent representative. You can vote.

The decision you make stays in place until the next triennial election, unless your circumstances change.

Voting roll

The staff voting roll is held at the school office and can be viewed during normal school hours. You must advise the returning officer in writing before the roll closes if you wish to change to the parent roll.

You may nominate yourself

If you are on the staff roll, you can nominate yourself for staff rep. You can't nominate someone for the parent roll.

Voting is electronic

You will be emailed a link at your school email address to the Voting Platform. You will still need your mobile phone to authenticate yourself.

If you don't have a school email address, note that the address supplied by the school office will be the one that we will use. You can change it by contacting the returning officer.

Voting closes at **4pm** on the date specified in your invitation to vote.

Candidate Statement

Make sure your statement and photo are received by the nomination deadline so that it can be included on the voting platform.

The returning officer may remove or edit any part of the candidate's statement if it exceeds 400 words or is offensive or defamatory.

Your candidate statement and photo will appear on the online voting platform.

Scrutineers

A candidate may nominate a person to check the vote count to make sure it is done correctly. Please advise the returning officer in writing of your scrutineer's name and contact details before election day. Candidates cannot be scrutineers.
